

# Youth Programs

## \*PARK & RECREATION POLICY AT RES and the RCC\*

- Parents! Please be sure to send a note to school with your child if he/she is attending a 3:00pm or 3:05pm Park & Recreation activity. If the class is in the Community Center at 3:15PM, your child will be escorted to the class. All 3:15PM classes in the Community Center will meet in the RES cafeteria AFTER all buses are called. Your child's note should state the activity they are going to, not the location.

- If your child will not be attending their 3:00 or 3:15pm class, please notify us on our voicemail by 9:00am. Call 938-2551. Please note that the Park and Recreation office is closed on Fridays.

## Junior Chef Saturday Series

Each of our Saturday Series Junior Chefs will have a chance to create an entire meal that they will enjoy for lunch. They will continue on after lunch to make a luscious dessert to take home for the family table. In addition to being involved in several actual cooking projects, participants will learn about food safety issues, attractive displays of their creations and proper table setting. All recipes will go home with the children.

Children who love to eat and help create treats for their families are welcome! This class is not appropriate for children with serious food allergies or sensitivities. Junior Chef Saturday Series is supervised by Mary Jo Dix, the Director of Park & Recreations Extended Day programs. She also has over 23 years of catering experience and is a Certified Food Safety Manager.

## Woodworking

Taught by Steve Burke

Paint Draw and More! offers this beginners woodworking course so that students can experience first hand the rewards of learning a useful skill while creating a handmade wooden object. These classes take place in the instructor's wood shop using an assortment of hand tools. Students also receive one on one instruction in the handling of simple entry-level power tools to complete a variety of projects tailored to the skill level of the student. Students will learn to plan, measure, cut and assemble the pieces of their project during a six-week session. Projects are chosen which offer a fun and enriching experience as well as provide students with a lifelong comfort in using the most common woodworking tools. The class is limited to a maximum of 4 students ranging in age from 8-13. All materials are provided. There is a \$30 materials fee payable to your instructor on the first day of class. Location: Georgetown School of the Arts, 25 Old Mill Rd., West Redding, CT.

## Youth Basketball League (Grades 3–8)

High School League info on page 18

Our basketball program features skill instruction, fundamentals of basketball, good sportsmanship, and teamwork. Our coaches are parent volunteers. What makes our program so special is that our teams only average 7-9 players per team allowing the children to get lots of “touches” on the basketball. Each player on a team plays the same amount regardless of ability. We believe that through playing, kids develop skills, confidence and teamwork. Join our program regardless of your child’s ability! Each week will include one practice and a game on Saturday at a different time each week.

Not attending the ratings clinic makes it difficult to make fair teams...all participants are expected to be there. We encourage participants to register early to save money and allow us to find enough volunteer coaches and sponsors to support the leagues. Please mark your calendar with these dates. You will not be sent a reminder.

League Dates: December 5 – February 27  
Saturday game + one weekday practice

**INTERESTED IN COACHING,  
SPONSORING or REFEREEING ??**

**Volunteer Basketball Coach**

The leagues success always depends on the commitment of volunteer coaches. If you like to work with kids or have the willingness to learn how to, we will teach you. Come be a positive influence on a child's development! Anyone who is interested in coaching should contact Park & Recreation upon registration of your child. Our goal again this season is to include the coaches in the team selections. In order to do this, it is important that coaches attend the ratings clinics and the team making session immediately following.

**Referees**

If you have a basketball background and a desire to learn the finer points of the game, then refereeing may be for you. Referees and scorekeepers should contact Park & Rec. by November 1st. The pre-season referee's clinic will be held on 11/21/15. Referees must be at least 16 years old.

**Sponsor**

Sponsors are needed to offset the cost of team uniforms. It's also a great way to advertise should you own a local business.

- \$100 first year sponsor
- \$75 for 2nd or 3rd team sponsorships
- \$75 for renewal sponsorships
