

**FROM THE OFFICE OF THE TAX COLLECTOR
NOTICE TO ALL TAXPAYERS OF THE TOWN OF REDDING**

Taxes on the Grand List of October 1, 2019 become due and payable July 1, 2020. Taxes will be delinquent if not paid by August 3, 2020. Interest on payments made after August 3, 2020 will accrue at the rate of 3% annually up to September 30, 2020, and will revert to the statutory rate of 18% annually thereafter.

At a meeting of the Board of Selectmen held on April 15, 2020, it was voted to adopt the **Reduced Interest Program** as outlined in Governor Lamont's Executive Order #7S.

Governor Lamont's Executive Order #7S established two programs "...to offer support to eligible taxpayers, businesses, nonprofits, and residents who have been economically affected by the COVID-19 pandemic. Such programs shall be known as the "Deferment Program" and the "Low Interest Rate Program." Each municipality, as defined in section 7-148 of the general statutes, by determination of its local legislative body, or, in any town in which the legislative body is a town meeting, by a vote of the board of selectmen, shall participate in one or both programs and shall notify the Secretary of the Office of Policy and Management no later than April 25, 2020, about which program or programs it is electing to participate in.

a. Deferment Program. During the period of March 10, 2020, the date that I declared the public health and civil preparedness emergency, through and including July 1, 2020, municipalities participating in the Deferment Program shall offer to eligible taxpayers, businesses, nonprofits, and residents a deferment by ninety (90) days of any taxes on real property, personal property or motor vehicles, or municipal water, sewer and electric rates, charges or assessments for such tax, rate, charge, or assessment from the time that it became due and payable. Eligible taxpayers, businesses, nonprofits, and residents are those that attest to or document significant economic impact by CO VID-19, and/ or those that document they are providing relief to those significantly affected by the COVID-19 pandemic. The Secretary of the Office of Policy and Management shall issue guidance as to which taxpayers, businesses, nonprofits, and residents shall be considered eligible for the Deferment Program, but participating municipalities may, upon approval of its local legislative body, or, in any town in which the legislative body is a town meeting, by a vote of the board of selectmen, extend eligibility for the deferment program to other categories of taxpayers, businesses, nonprofits, and residents.

b. Low Interest Rate Program. For municipalities participating in the Low Interest Rate Program, notwithstanding Section 12-146 of the General Statutes, (i) the delinquent portion of the principal of any taxes on real property, personal property or motor vehicles, or municipal water, sewer and electric charges or assessments or part thereof shall be subject to interest at the rate of three (3) per cent per annum for ninety days from the time when it became due and payable until the same is paid, for any such tax, rate, charge, or assessment due and payable from April 1* through and including July 1, 2020, unless such delinquent portion is subject to interest and penalties at less than three (3) per cent per annum. Following the ninety days, the portion that remains delinquent shall be subject to interest and penalties as previously established; and (ii) any portion of the principal of any taxes on real property, personal property or motor vehicles, or municipal water, sewer and electric rates, charges or assessments or part thereof that had been delinquent on or prior to April 1*, shall be subject to interest at the rate of three (3) per cent per annum for ninety days from this Order, unless such delinquent portion is subject to interest and penalties at less than three (3) per cent per annum. Following the ninety (90) days, the portion that remains delinquent shall be subject to interest and penalties as previously established."

***April 1 amended from March 10 per clarification in Governor's Executive Order 7W – see below.**

“b. Clarification of Time Periods. Because interest on past due taxes and water, sewer, or electric charges are calculated by the month, not by the day, and principal is typically due on the first of the month, not the tenth, the ninety (90) day periods referred to in Executive Order No. 7S, Section 6 are amended to three (3) months, and the references to due dates and delinquency dates on or prior to March 10 are amended to April 1.”

This program allows those unable to pay any portion of their July 1st taxes due by August 3, an opportunity to make all or portions of their installment, with interest at a reduced rate of 3% annually up to September 30, 2020. There is no deferral of taxes. The Deferral Program carried an interest rate of 18% annually and required a financial application. The Reduced Interest Program provides greater relief for those having financial difficulty.
