Is Your Medicare Advantage Plan Working for You?

Medicare Advantage Open Enrollment is from January 1, 2021 to March 31, 2021

During this time, you can change from your Medicare Advantage Plan (*with or without drug coverage*) to another Medicare Advantage Plan (*with or without drug coverage*) or back to Original or Traditional Medicare. If you switch back to Original Medicare, you should also enroll in Part D, a prescription drug plan and consider enrolling into a Supplemental/Medigap plan. When switching to another Medicare Advantage Plan first confirm that your prescription drugs and health care providers are covered by the plan. What you cannot do during this enrollment period is switch from Original Medicare to a Medicare Advantage plan or switch Part D plans. You are permitted to make one change during this period. The new plan will become effective one month after you make the request.

Contact CHOICES if you have any questions at 203-757-5449 or 1-800-994-9422.

Above all, stay home, stay safe, be well!
