

COMING UP @MTL

Welcome Back to the Library!

As we gradually bring back some in-person programming to the MTL, we are excited to announce some new and returning programs for children and teens inside our doors.

Introducing for Children...

Check It Out!

For Kindergartners, Grades 1&2, and Grades 3&4

Looking for your next great read?!? Join Miss Lisa and Miss Mary from the Mark Twain Library to browse the library's hottest new releases and chat about old favorites. Check out our shelves of books and then check out your favorite! This program is for avid readers, hesitant readers, and everyone in between! These in-person programs are for elementary aged children and are offered in three separate sessions based on age.

And, for Kindergartners...

Through March 19th
**Kindergarten Library Card
Drive**

We are excited to announce the first annual Kindergarten Library Card Drive! Our goal is for every Redding Kindergartener to have a library card. When Kindergarteners sign up during this Library Card Drive they will be the first in town to get these awesome MTL breakaway lanyards to hold their cards. Use this link to sign up for a card and lanyard, get a lanyard if you already have a card, and get help if you've lost your card or don't remember if your Kindergartener has one.
